

Speaking
to Doubt

Even God's People Struggle with Doubt

Psalm 22:1-2 - David

1 Kings 19:4 – Elijah

Job.7:20-21 – Job

Absolute Certainty is not Required

2 Corinthians 5:7

Hebrews 11:1

Even if it would be unreasonable to believe anything else, faith is still necessary.

Atheists Cannot Offer Certainty Either

Demand Scientific Demonstration:

Prove Rationally by logic

Empirically using the five senses

Their Demand is really a Belief!

Atheists Cannot Offer Certainty Either

Looking for Clues

A Created Universe will
behave a certain way

An Uncreated Universe will
behave differently

What fits best?

The Universe Had a Beginning

Why is there something rather than nothing?

If the universe began, something began it. What?

It Appears to be Fine Tuned

It's hard to live anywhere besides
Earth

“the odds against the universe
emerging from the Big Bang are
enormous...”

-Stephen Hawking

The Laws of Nature are Regular

Inductive reasoning is based on this assumption.

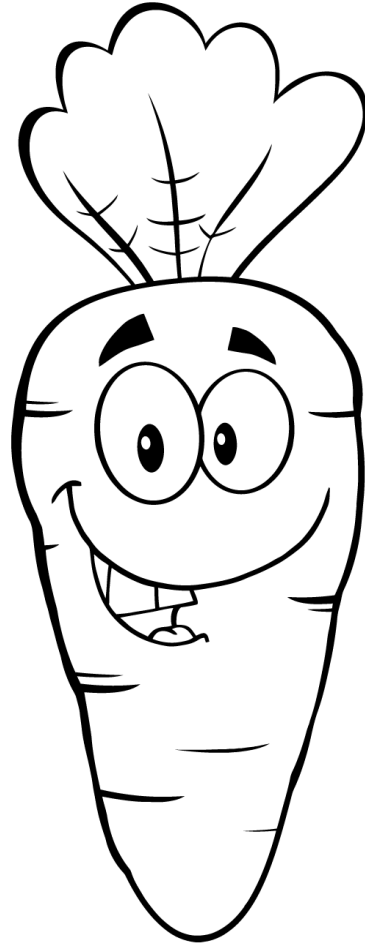

Science cannot prove the regularity of natural laws – it can only take it on faith!

Man has the Capacity for Moral Judgment

There are very few true moral relativists.

“Is there anyone, anywhere in the world, doing something they should not be doing regardless of what they think about it?”

Man has the Capacity for Moral Judgment

We All Look for Meaning and Purpose

If we are an accident, love, beauty, justice, etc. do not exist!

All our desires correspond to **real** needs

Hunger – Food

Thirst – Drink

Fatigue – Sleep
